Make a Difference in Your Community

These events are possible because of the generosity of people like you. At Evergreen Hospice, only 30% of our budget comes from government sources, and we rely on the support of individuals, businesses, and organizations in our community to make up the difference.

Your contributions allow us to provide compassionate care and essential programs for people of all ages in Thornhill, Markham, and Stouffville who are impacted by life-threatening illnesses. Together, we can continue to create a safe and supportive space for those who need it most.

Warm regards,
The Evergreen Hospice Team
